EDUCATION

University Institute of Technology, RGPV   Bhopal
Computer Science Engineering
NOV 2022- 2026

Kamla Nehur Hr. Sec. School CBSE Kotra Bhopal
XII - 85%

PROJECTS

Portfolio Website

Created a Portfolio Website that showcase my project and profession updates.

Link :- https://react-portfolio-nu-coral.vercel.app/

Blog Website - Blog Byte

Participated in AceHack Hackathon in which we implemented a solution by incorporating tags into our blog system. By tagging each blog post with relevant keywords or categories, we enabled users to filter content efficiently based on their preferences.
